

Los Virtuality Launches Surf Simulator Rental to Bring the Thrill of Surfing to Events Nationwide

Los Virtuality introduces Surf Simulator rentals, bringing thrilling, safe, and interactive surfing experiences to events across the U.S. & Canada.

LOS ANGELES, CA, UNITED STATES, September 15, 2025 / EINPresswire.com/ -- Los Virtuality, a premier provider of immersive entertainment rentals and experiential marketing activations, is excited to announce the launch of its [Surf Simulator rental](#) service for events across the United States and Canada. This new attraction allows guests to experience the thrill of riding the waves in a safe, controlled environment, making it a standout feature for corporate events, trade shows, private parties, and brand activations.

Surf Simulator Rental at the Trade Show

The Surf Simulator provides a fun, interactive experience that challenges balance, coordination, and skill, while also offering guests a chance to compete in friendly surf competitions. Designed to be both entertaining and safe, the simulator can be adjusted to different difficulty levels, making it suitable for all ages and skill levels.

"We are thrilled to introduce our Surf Simulator as part of our growing lineup of interactive event rentals," said Sergey Smirnov, CEO of Los Virtuality. "This attraction not only engages guests but also creates unforgettable memories, whether you're looking for [corporate event entertainment](#), marketing activation, or [trade show games](#)."

With this launch, Los Virtuality continues to expand its portfolio of innovative entertainment solutions, which already includes Virtual Reality simulators, golf simulators, soccer simulators, ski simulators, and more. The company is recognized for delivering cutting-edge attractions that

elevate events and enhance brand activations for Fortune 500 companies, luxury venues, and private clients nationwide.
