

Funfull Is Growing - A New Chapter in Family Fun With Expanding Member Benefits

Funfull, founded by Vishal Patel, is transforming family time through free and discounted visits to fun places, encouraging screen-free activities & bonding.

ID, UNITED STATES, September 16, 2025 /EINPresswire.com/ -- A Note of Gratitude

Since its beginning, [Funfull](#) has been driven by a bold idea: to make family fun simple, affordable, and accessible every day of the year. From the Delmarva Peninsula to Boise, Idaho, the program has grown into a trusted way for families to create real-world memories together while supporting local entertainment venues.

The journey has been shaped by the families who join, the amazing partners who host, and the communities that believe in the importance of connection. Each season has brought new lessons, new milestones, and new reasons to keep building.

“

I've always believed that strong family bonds are made over shared activities and adventures. After all, the essence of family bonding is the time you spend together.”

Now, Funfull is ready for its biggest upgrade yet.

We're Retiring Monthly Memberships (And Unlocking Even More for You)

This decision comes after years of testing, feedback, and growth, and reflects our commitment to offering families a product that is simpler, stronger, and more sustainable.

The monthly model often led to families joining for just a season, then stepping away before

experiencing all the benefits Funfull provides. While completely understandable, this made it harder to support our partner venues year-round and limited our ability to bring new local experiences into the program.

We understand that change can feel uncertain, but this step has been shaped with families in mind — creating the consistency needed to unlock better benefits, smoother experiences, and stronger support for the venues that bring communities together.

This isn't a step back. It's a major step forward — for families, for local businesses, and for the entire Funfull community.

Now, let's take a look at the new benefits this change makes possible.

What's New and Better

With the move to annual memberships, families can look forward to more value, flexibility, and consistency across every season to visit [fun places near me](#):

Free Monthly Movie Tickets – included for Regal, AMC, Cinemark, and more national theater brands.

Family Plan – a new option covering up to 4 members for \$699.99/year.

Flexible Payment Options – choose to pay all at once or split into 4 installments.

More Free Experiences – we're adding more year-round included partners and exclusive offers.

Seasonal Partners – fall farms, winter skating centers, and summer adventures that bring fresh variety to family outings.

National Partner Network – access to major attractions across multiple states, including Walt Disney World, Universal Studios, and Busch Gardens, so Funfull is with you at home and when you're traveling.

The price remains simple and unchanged:

Annual Individual FunPass = \$199.99/year (about \$16.67/month equivalent)

Annual Family Plan (up to 4 members) = \$699.99/year (about \$14.58/month per person equivalent)

Don't Miss: Your Last Chance to Save More

Funfull's best-ever offer is the "Buy 3, Get 1 Free" annual membership promotion, which ends on September 22, 2025. Lock in a full year of access for four members at the price of three.

It's a chance not just to save but also to find [fun things to do](#) nearby. Families can use the extra pass for extended family, neighbors, or friends, with delegated access, making it easy for everyone to join the fun.

Once the deadline passes, the offer will no longer be available.

Looking Ahead Together

To our longtime members: thank you for being part of the journey. To families who may have joined us seasonally, we'd love to welcome you back.

Funfull is growing, and this change marks a new chapter in family fun. It's designed to make the experience simpler, stronger, and more rewarding — not just for today, but for every season ahead.

Every decision we make comes back to one purpose: helping families spend more time together. And with Funfull, those moments will always be within reach.

Let's make every day fun — Together.
