GALVESTON, TX, UNITED STATES,  
September 16, 2025 /  
EINPresswire.com/ -- Auction Section  
Announces Major [Gulf Coast Real Estate Auction](#) Set for November 5th, 2025

Auction Section today unveiled plans for a landmark online auction featuring a broad array of Gulf Coast properties. Scheduled for Wednesday, November 5th, 2025, the event includes

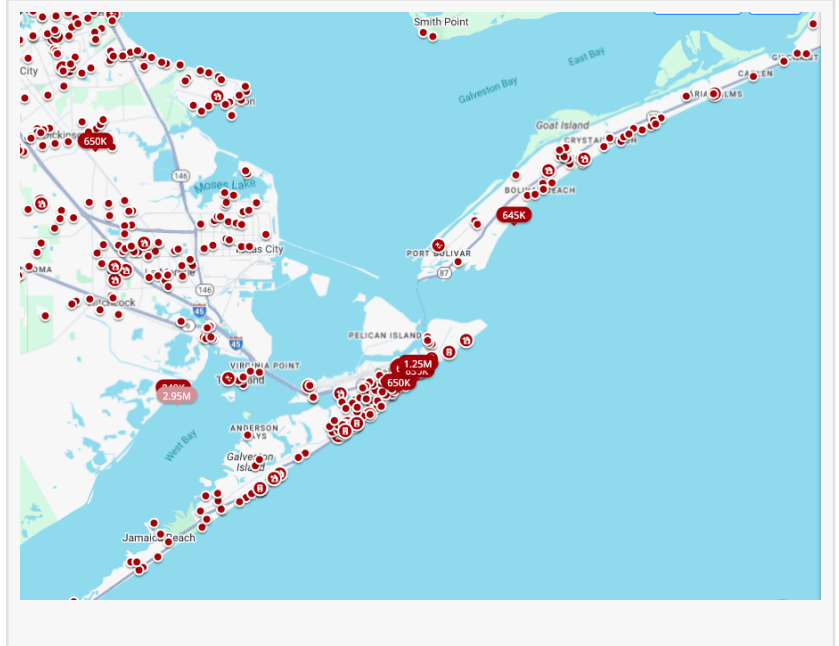

residential, waterfront, and investment properties across Bolivar Peninsula, Galveston Island, Tiki Island, and Harbor Walk—one of the most significant coastal property offerings in recent memory.

The auction will be conducted entirely online, enabling buyers across the nation to participate seamlessly. Featured assets include Gulf-front homes, waterfront lots, vacation properties, and investment opportunities in some of the region's most sought-after locales.

"This auction is an incredible event and a necessary step in helping balance a market still wrestling with oversupply pressures that began during COVID," said Mark Thomas, Auctioneer and President for Auction Section. "By setting a firm auction date and delivering a transparent online process, buyers can access real opportunities, and sellers have the confidence of closing in as little as 60 days."

## Market Context

Galveston and surrounding coastal communities have experienced a sharp rise in housing supply since COVID, creating one of the largest buyer's markets in Texas. Recent reports show Galveston with nearly 17 months of housing inventory, compared to a balanced market of 4–6 months. The Auction Section event is designed to accelerate sales in this environment by

matching motivated sellers with competitive buyers nationwide.
