SUPER BRUSH
A SWAB FOR EVERY JOB
Super Brush LLC

Medical Technology Ireland is recognized as Europe's second largest and fastest-growing medical device design and manufacturing show, bringing together industry leaders, innovators, and suppliers from across the globe.

Medical Technology Ireland provides an excellent opportunity to demonstrate how our foam swab technology can support medical device innovation in Ireland and beyond"

Diane Henry, Director of Sales

Super Brush will feature its wide range of precision-engineered foam swabs designed for critical applications including:

- Medical Device Assembly & Manufacturing
- Pharmaceutical & Diagnostic Applications
- Sample Collection
- Application of Drugs, Adhesives, and Lubricants
- Cleaning and Removal of Excess Materials in Controlled Environments

With over 65 years of manufacturing expertise, Super Brush offers more than 3,000 swab designs and provides R&D and product development support to meet specialized customer requirements. The company is ISO 13485-certified, and products are manufactured in the USA to the highest quality standards, ensuring dependable performance for regulated markets.

Wide-range of foam swabs

“Medical Technology Ireland provides an excellent opportunity to demonstrate how our foam swab technology can support medical device innovation in Ireland and beyond,” said Diane Henry, Director of Sales. “Our swabs are designed to deliver precision, cleanliness, and consistency—making them ideal tools for the demanding needs of the medical and pharmaceutical industries.”

About Super Brush LLC

Headquartered in Springfield, Massachusetts, Super Brush LLC is a global leader in foam swab and applicator technology. Serving industries ranging from pharmaceutical, medical, diagnostic, aerospace, and electronics to consumer and retail, Super Brush specializes in providing lint-free, durable, and functional swabs for both critical and everyday applications. Its retail brand, Swab-its®, delivers innovative cleaning kits for sporting goods, firearms, auto care, household, and more.

Super Brush is ISO 13485-certified and offers custom design and contract manufacturing services to meet the diverse needs of customers worldwide.
