ASAKUSA, TAITO-KU, TOKYO, JAPAN,
September 17, 2025 /
EINPresswire.com/ -- Prime 1 Studio is pleased to announce the opening of pre-orders for our latest release from "The Witcher 3: Wild Hunt": Triss Merigold Alternative Outfit from the Real Elite Masterline.

At 1/4 scale, Triss appears in her DLC Alternative Outfit. The statue presents her in a flowing pose, with her head, right leg, and arms arranged in parallel and diagonal lines that emphasize movement and balance.

Her iconic red hair and dignified expression are based on the detailed graphics of the game. The emerald green and gold robe is carefully sculpted and painted with deep tones, intricate patterns, and a textured finish.

The base, designed from the DLC visual, includes a fountain with clear water effects, stone pavement with a weathered finish, and a medallion at the front. These elements are intended to reflect the game's atmosphere.

This Bonus Version also includes an alternate right arm holding a spellbook with flame effects.
