VANCOUVER, BRITISH COLUMBIA, CANADA, September 16, 2025 /EINPresswire.com/ -- [Underdog](#): A Veterinarian's Fight Against Racism and Injustice by Dr. Hakam Singh Bhullar has stormed onto Amazon's charts, debuting as a #2 Bestseller in Canada in Medical Law & Legislation (Paperback) and ranking among the Top Sellers in multiple other categories across Canada and the U.S.

Part memoir, part legal drama, *Underdog* tells the extraordinary true story of [Dr. Bhullar](#)'s fight to make animal care accessible for all families—while taking on systemic racism in Canada's

veterinary profession. His 13-year legal battle against the British Columbia Veterinary Medical Association became the longest human rights trial in Canadian history, ending in a landmark ruling and apology.

“

Systemic racism tried to silence us—but we refused. *Underdog* proves that courage and persistence can force change, even against powerful institutions.”
