

FAMIS Strengthens Industry-leading Quality with Guffey Systems Partnership

FAMIS announce partnership with Guffey Systems, a manufacturer of durable manual-rail finishing systems designed to speed and streamline the finishing process.

MIAMI, FL, UNITED STATES, September 16, 2025 /EINPresswire.com/ -- FAMIS is proud to announce a new partnership with Guffey [Systems](#), a manufacturer of high-quality, durable manual-rail

[finishing](#) systems designed to speed and streamline the finishing process.

"We are pleased to announce our partnership with Guffey Systems to better meet our customers' needs," said Oscar Hernandez, FAMIS Director of Liquid Coatings and Finishing Systems. "By combining our expertise with Guffey Systems, we will broaden our portfolio,

shorten lead times, and enhance technical support."

Hernandez also emphasized FAMIS and Guffey Systems mutual dedication to enhancing value for clients through continuous improvement. "Together, we're committed to delivering integrated, high-quality, and more sustainable solutions that create measurable value for our clients."
