VIRGINIA BEACH, VA, UNITED STATES, September 16, 2025 /

EINPresswire.com/ -- From the press room of L-Strategies the official press of [Veterans for America First](#):

Veterans for America First Endorses John Reid for Lieutenant Governor of Virginia:

A lifelong Virginian and graduate of Baylor University, Reid began his service to the nation as one of the final interns in President Ronald Reagan's Los Angeles office after he left the White House. He later served as Communications Director for U.S.

Senator George Allen and went on to lead as Chief Communications Officer for Iraq and Afghanistan Veterans of America (IAVA), the nation's largest post-9/11 veterans organization. In that role, Reid worked tirelessly to ensure America's heroes received the care, respect, and recognition they earned through service.

For nearly a decade, John Reid was the award-winning host of the WRVA Morning Show, giving a strong, consistent voice to the issues facing veterans, military families, and law enforcement. He also founded The Virginia Council, a grassroots effort to defend Virginia's heritage, strengthen civic education, and protect freedom for future generations.

Veterans for America First (VFAF) is a grassroots America First organization founded in 2015 (originally as Veterans for Trump). It supports conservative veterans and veterans' issues through political engagement, community outreach, and advocacy. Vet Force is VFAF's recently launched national volunteer program, officially inaugurated in January 2025.

Modeled on the campaign-style "Trump Force 47," Vet Force mobilizes veterans, law enforcement, and patriotic civilians into "boots-on-the-ground" volunteer teams. These teams engage in emergency relief, public safety advocacy, youth mentoring, voter education, disaster response, and support for MAGA-aligned

campaigns. In Georgia, Vet Force is led by Devonta "Sully" Sullivan, a former police officer now serving as National Ambassador. Sullivan's team has restored a shelter at Park Avenue Baptist Church in Atlanta and recently organized a holiday blood drive in partnership with the American Red Cross—efforts aimed at addressing homelessness, healthcare shortages, and community revitalization.
