

New England Aquarium Signs on as 'Bowtie Sponsor' of Plymouth Foundation's Blue Future Conference 2025

The Bill Nye-inspired sponsorship reflects the Aquarium's leadership in marine innovation & sustainability and a shared commitment to the region's Blue Economy

PLYMOUTH, MA, UNITED STATES,
September 18, 2025 /

EINPresswire.com/ -- The Plymouth Foundation is proud to announce the New England Aquarium has signed on as the official "Bowtie Sponsor" of the [Blue Future Conference 2025](#), taking place on Oct. 16, 2025 at Hotel 1620 in Plymouth, Massachusetts.

The Aquarium's decision to step forward as the conference's first-ever lead sponsor reflects its deep commitment to ocean conservation, climate action and advancing opportunities in the Blue Economy. The "Bowtie Sponsor" designation was created for this year's event as a nod to keynote speaker Bill Nye the Science Guy, whose trademark bowtie symbolizes his decades of work bringing science to the public.

Protecting the blue planet

"We're excited to partner with the Blue Future Conference as its first-ever lead conference sponsor," said Vikki N. Spruill, President and CEO of the New England Aquarium. "The challenges and opportunities facing our ocean demand bold collaboration. This conference is a vital platform to bring together science, business, and community leaders in Massachusetts to shape

a sustainable future for both the Blue Economy and ocean conservation—and we're proud to help make it possible."

"Partnering with the New England Aquarium is a natural fit for the Blue Future Conference," said Stephen Cole, Executive Director of The Plymouth Foundation. "Their commitment to ocean conservation, climate action, and sustainable use of marine resources aligns directly with the goals of our Blue Economy initiatives. Together, we're advancing conversations and collaborations that will shape a thriving marine economy for generations to come."

“

This conference is a vital platform to bring together science, business, and community leaders in Massachusetts to shape a sustainable future for both the Blue Economy and ocean conservation"

CEO of the New England
Aquarium*

The Blue Future Conference is designed to bring together leaders from science, business, policy, and the community to explore opportunities in the marine economy — from marine technology to climate resilience and sustainability innovation. With the support of the New England Aquarium, this year's conference will offer an even stronger platform for innovation, education, and action.
