Dr. Sims and Lead Care Team

The Orthopedic Clinic is proud to announce that Dr. Richard C. Sims, M.D., Board-Certified Interventional Pain Management Specialist, and his dedicated care team have been named the Best Pain Management Clinic in Volusia County by the Official Community's Choice Awards in Daytona.

“

We're incredibly proud of Dr. Sims and his team. This award shows the trust our community places in them and their commitment to treating every patient with compassion and respect.”

*Shannon Stewartson, CEO of
The Orthopedic Clinic*

This recognition highlights Dr. Sims's commitment to providing advanced, patient-centered pain management solutions across the region, along with the exceptional dedication of his multidisciplinary team.

Dr. Sims specializes in innovative pain management procedures, including advanced interventional techniques, implantable devices, and diagnostic procedures to support surgical evaluation and recovery.

He is dual board-certified in Anesthesiology and Pain Medicine by the American Board of Anesthesia and trained

at the University of Florida, where he completed both his residency in Anesthesiology and a

fellowship in Multidisciplinary Pain Management.

Dr. Sims is a board-certified anesthesiologist.

"It's such a privilege to be recognized as the Best Pain Management Clinic in Volusia County. This award means a great deal to me because it comes directly from the community we serve. Our patients are more than a number or a case to our team. Every patient is a reminder that they are our neighbors, friends, and family. We are honored by the trust the community has in us, and we will continue working every day to provide care that is both compassionate and effective."

Dr. Sims shares this recognition with his highly skilled lead care team, who play a vital role in patient care and clinic excellence:
