

Cloudify's HubSpot Xero Integration is Now Certified

Cloudify is proud to announce that our HubSpot Xero integration is now officially certified by HubSpot.

UNITED KINGDOM, September 17, 2025 /EINPresswire.com/ -- Cloudify has strengthened its place in HubSpot's App Partner Program with a newly certified integration. Our HubSpot-Xero integration has now earned HubSpot's official certification, recognizing it as a high-quality, trusted solution available on the HubSpot App Marketplace.

Cloudify's HubSpot Xero Integration is Now Certified

Cloudify's [HubSpot Xero integration](#) helps simplify billing by seamlessly connecting sales and finance data. It automatically [creates invoices and quotes in Xero from HubSpot deals](#), keeps customer and product details in sync, and updates financial data directly within HubSpot. It can also be used as an action in HubSpot's Automation Workflows, providing greater flexibility to fully automate and streamline the invoicing process.

"Achieving [HubSpot App Partner](#) certification represents a significant milestone in our commitment to delivering exceptional solutions for our clients," said ██████████ ██████████, Business Analyst at Cloudify. "This certification validates our team's dedication to creating meaningful integrations that streamline operations for HubSpot users. Our solutions enable businesses to automate routine processes, gain immediate access to critical financial data, and redirect their focus toward strategic growth initiatives."

"At Cloudify, we've heard from many businesses about the challenges of keeping their systems in sync," added ██████████ ██████████. "With this integration, invoicing can be managed directly in HubSpot, giving teams the clarity and efficiency they need to succeed." Learn more about the integration [here](#).
