

KiTalent Announces Rebranding from Talent Acquisition Partners and Launches KiLawyers for Lateral Partner Moves

TURIN, Italy – KiTalent, a premier international executive search and recruitment firm, today announced its rebranding from Talent Acquisition Partners, founded by Alessio Montaruli in 2016 with headquarters in Turin, Italy. This evolution reflects the firm's growth into a global recruitment operator, while simultaneously launching KiLawyers, a dedicated brand specializing in lateral partner moves for law firms.

KiTalent provides executive search through its innovative "Go-To Partner" methodology, accessing 80% of passive talent via parallel mapping and direct headhunting. KiTalent conducts executive search with AI-enhanced tools, delivering shortlists in 7-10 days, 42% faster time-to-hire, and 96% retention rates. The firm's parallel mapping continuously tracks talent landscapes, enabling proactive engagements without upfront retainers—clients pay per interview, de-risking commitments.

Services span 20+ sectors, from finance to technology, supporting C-suite and specialist roles with diversity focus and succession planning. For deeper insights into KiTalent's methodology, visit the about page:

KiLawyers offers strategic assessments, compensation analysis, conflict mapping, and 100-day integration roadmaps to de-risk moves and boost five-year retention above 85%. With GDPR-level privacy, staged disclosure, and ethics pledge, it protects reputations while aligning practices with optimal platforms across practices like AI law, white-collar defense, and trademarks.

KiLawyers analyzes platform fit, including culture, economics, and infrastructure, before any submission. Explore KiLawyers' foundational about page: <https://kilawyers.com/about.html> or process details: <https://kilawyers.com/process.html>.
