

Divorce with Respect Week® Dates Set for 2026

DENTON, TX, UNITED STATES,
September 16, 2025 /

EINPresswire.com/ -- The 5th annual Divorce with Respect Week® will be held March 1 - 8, 2026. Divorce With Respect Week is a national initiative that unites divorce professionals throughout the country in raising awareness of Collaborative Divorce as a client-centered alternative to traditional litigation. Collaborative Divorce enables families to divorce while avoiding the turmoil of a court fight.

During Divorce with Respect Week®, individuals or couples can speak with divorce professionals, including attorneys, financial advisors, and mental health specialists, for free to learn more about their divorce options. Collaborative Practice California first launched Divorce with Respect Week® in 2021. It has since grown into a national movement to help couples facing divorce find a better way to untie the knot.

"I have no doubt that we're in our present position today because of the intentional and nurturing process that we went through," said Janine Berridge, who, with her ex-husband, used the Collaborative Divorce for their divorce. "I don't know where we'd be to this day if we had gone through litigation."

Collaborative Divorce professionals interested in participating in Divorce with Respect Week® in 2026 should contact Tim Crouch at Tim@thecrouchgroup.com or by calling 940-383-1990 for more information. Nearly 600 collaborative professionals participated in Divorce with Respect Week® Attorneys in 2025, and over 16,000 people visited DivorceWithRespectWeek.com seeking more information. Divorce With Respect Week® has impacted countless individuals across all 50 states and the District of Columbia, helping to keep families out of courts and to divorce with dignity.
