“

SwingShot is about getting real coaching from real PGA pros, right when you need it.”

Bob Baldassari, PGA, Director of PGA Development at SwingShot

revolutionary mobile app that brings personalized PGA certified coaching to every golfer, launches nationwide today, September 17, 2025. In golf, as in life, a single flawless swing can transform a frustrating round into a day of pure delight—turning the course from a challenge into a celebration. SwingShot makes that mastery attainable, delivering expert analysis from certified PGA professionals for just \$14.95 per session. Available on iOS and Android, the app is now live at swingshot.com.

Golfers know the frustration of a slice or inconsistent swing. SwingShot eliminates those bad shots by making professional coaching fast, affordable, and accessible. Record your swing, upload it through the app, and receive tailored video feedback with voice-over and on-screen annotations—all within 24 hours. Whether you're a weekend warrior or a seasoned player, SwingShot helps you play better and enjoy the game more.

“SwingShot is about getting real coaching from real PGA pros, right when you need it,” said Bob Baldassari, PGA, Director of PGA Development at SwingShot. “Nothing beats the feeling of a clean, straight shot, and our app makes that possible for golfers everywhere—no scheduling, no travel, just results.”

Key Features of SwingShot

- **Certified PGA Coaching:** Personalized feedback from experienced PGA instructors, not AI, with actionable drills to fix your swing.
- **Fast Turnaround:** Get detailed video analysis within 24 hours, so you can apply tips on your next swing.
- **Affordable Access:** Only \$14.95 per month, a fraction of the cost of traditional lessons.

- Swing History: Save all your swing reviews in a personal library to track progress over time.
- Fully Mobile: Record, upload, and review from your smartphone—anytime, anywhere.
