EINPresswire.com/ -- BKC Kitchen and Bath of Denver, Colorado has been named a winner in the 47th Annual Qualified Remodeler Master Design Awards contest. BKC won a Silver Award in the 'Kitchen Remodels \$50,000-\$75,000' category for designer Candice Hill's Refined French Country Kitchen project.

BKC Kitchen and Bath 2025 Master Design Awards Winner

Sponsored by Qualified Remodeler magazine, the Master Design Awards is the premier national contest recognizing outstanding achievement in residential remodeling projects in 22 categories, and includes home renovation companies from across the country. Entries are judged on aesthetic appeal, construction techniques used, handling of unusual situations, attention to detail, functionality of space and overall impression of the project.

“

Receiving this award from Qualified Remodeler is truly an honor and a testament to our team's commitment to exceptional design and craftsmanship.”

Paul Hoff, CEO of BKC Kitchen and Bath

This award-winning project, in partnership with Torrey Custom Homes, transformed a cramped, dimly lit kitchen into a spacious, light-filled culinary sanctuary. Through significant structural modifications and thoughtful design choices, BKC Kitchen and Bath created a transitional space featuring clean lines, subtle detailing, and a harmonious blend of finishes.

"This project was incredibly rewarding because we were able to honor the century-old Craftsman

Bungalow's architectural heritage while creating a bright, functional space that perfectly matched our client's vision," explains designer Candice Hill. "The new kitchen features an artful trio of finishes — black, white, and cherry wood — from [David Bradley Cabinetry](#) that creates a sophisticated culinary space, perfectly blending contrast and warmth."

"It's always an honor to see our cabinetry used in such inspiring ways," shares Koch and Co., the parent company of David Bradley Cabinetry. "BKC Kitchen and Bath continues to elevate kitchen design, and this award-winning project is a testament to their talent and vision. We're proud to be part of a renovation that blends beauty, function, and craftsmanship so seamlessly."

"Receiving this award from Qualified Remodeler is truly an honor and a testament to our team's commitment to exceptional design and craftsmanship," says Paul Hoff, CEO of BKC Kitchen and Bath. "This recognition reinforces our dedication to creating spaces that not only meet our clients' functional needs but also reflect their personal style."
