Health Club, a leading fitness and wellness brand headquartered in Teaneck, NJ, is proud to announce the acquisition of The Spa at Glenpointe, a premier health and fitness center located within the luxurious Glenpointe Office and Hotel complex in Teaneck, NJ.

“

This facility has a strong legacy of serving the greater Teaneck community, and we look forward to building on that tradition”

The addition of the Teaneck location strengthens Fitness Factory’s growing footprint across the New Jersey and the New York metro area, enhancing the brand’s ability to synergistically provide state-of-the-art facilities, innovative training programs, and community-centered wellness opportunities while complementing the nearby Fitness Factory facilities in both Edgewater and Palisades Park, NJ.

“Bringing this flagship trophy facility into the Fitness Factory family is an exciting milestone for us,” said Dennis

Cieri, Co-Managing Member of Fitness Factory Health Club. “This facility has a strong legacy of serving the greater Teaneck community, and we look forward to building on that tradition by offering expanded services, upgraded programming, and the high-quality fitness experience our members expect.”

This newest Fitness Factory will offer members a wide variety of fitness options including modern strength and cardio equipment, group fitness classes, personal training, a state of the art aquatic facility, and premiere wellness amenities. With the acquisition, Fitness Factory plans to integrate its signature training systems, technology-driven fitness solutions, and wellness programming to further elevate the member experience.

“Expanding into Teaneck with this first class facility aligns perfectly with our growth strategy,”

said Richard Scarpati, Co-Managing Member of Fitness Factory Health Club. "We are dedicated to continuing to serve existing members while also welcoming new members into a facility that reflects our commitment to health, community and value."

The Glenpointe acquisition reinforces Fitness Factory's vision to be a leader in the regional health and wellness industry, continuing to expand its footprint through acquisitions, corporate-owned locations and franchising opportunities.
