

Huai'an Zhongshuge by Li Xiang Wins Platinum in A' Interior Design Awards

Innovative Bookstore Design Recognized for Excellence in Interior Space and Exhibition Design Category

COMO, CO, ITALY, September 17, 2025 /EINPresswire.com/ -- The A' Design Award, a highly prestigious and well-recognized award in the field of [interior design](#), has announced Huai'an Zhongshuge by [Li Xiang](#) as the winner of the Platinum A' Design Award in the Interior Space and Exhibition Design category. This remarkable achievement highlights the significance of the Huai'an Zhongshuge design within the interior design industry, positioning it as a noteworthy and innovative project that has garnered international recognition.

Huai'an Zhongshuge

The Platinum A' Interior Space, Retail and Exhibition Design Award is highly relevant to the interior design industry and its stakeholders, as it showcases exceptional designs that align with current trends and advance industry standards. Huai'an Zhongshuge's recognition underscores its practical benefits for users, the industry, and other stakeholders, emphasizing its utility and innovation in the realm of bookstore design.

Huai'an Zhongshuge stands out for its unique concept, drawing inspiration from the vastness of the universe to create a surreal planetary installation that connects two floors. The design overcomes technical challenges through precise 3D modeling and computational simulation, ensuring a balance between structural stability and visual impact. The bookstore seamlessly integrates display, reading, and leisure functions into its astronomical form, offering a captivating and immersive experience for visitors.

This prestigious recognition serves as a testament to Li Xiang's commitment to pushing the boundaries of interior design and creating spaces that blend functionality, aesthetics, and cultural relevance. The Platinum A' Design Award win is expected to inspire future projects and directions within the X+Living brand, fostering further innovation and exploration in the field of interior design.
