"If you're looking for energy, fun, and a real sense of community, Salsa Kings is the place to be! The instructors are incredibly talented, patient, and know how to make every class feel like a celebration. I took my 8 year old to the class and Tania and the two instructors given the class, gave my daughter all the support she needed to overcome her fears, and I will like to thank them. Whether you're a complete beginner or have some dance experience, they meet you where you are and help you grow with confidence. The atmosphere is welcoming, the music is always on point, and we left the class feeling happier and more alive. Highly recommend for anyone wanting to learn salsa in a fun and supportive environment!" said client Veronica D.
