

The 2025 WorkTech Award Winners Announced Today

NYC & LONDON, NY, UNITED STATES, September 18, 2025 / EINPresswire.com/ -- The [Inspiring Workplaces](#) Group, in partnership with TSC, is proud to unveil the [WorkTech](#) Award winners of 2025. These forward-thinking companies are redefining the future of work with technologies that help to put people at the centre of organisational success. Selected from a global pool of entries for the 2025 Inspiring Workplaces WorkTech Awards, each vendor submitted a comprehensive five-part application demonstrating how their technology positively impacts employees, customers, company purpose and beyond - with the shared mission of building PeopleFirst workplaces.

Matt Manners, founder of The Inspiring Workplaces Group, said: "At Inspiring Workplaces, we've seen how the right WorkTech, especially in this era of AI, can spark real change. It has the power to strengthen culture, boost performance and make organisations more human. This year's WorkTech Award winners are leading the way."

The WorkTech Award winners showcased how their tools are reshaping work across critical areas. Together, they represent the best in HR, EX, Wellbeing, Comms and beyond.

The Top WorkTech Award winners (listed in alphabetical order)

About The Inspiring Workplaces Group

Inspiring Workplaces is a global organisation on a mission to help businesses build, prove, and celebrate truly PeopleFirst cultures. Believing that the greatest force in business is people, Inspiring Workplaces champions cultures where belief, belonging and confidence in the future empower individuals to thrive.

Through its core programs: The Inspiring Workplaces Awards, Certified PeopleFirst™ and the free Inspiring Workplaces Community, the organisation celebrates, certifies and connects leaders committed to creating environments where people feel seen, valued and prepared for the future of work.

In a world where workplaces shape lives, Inspiring Workplaces exists to spotlight those who lead with purpose, because inspiring cultures don't just transform business, they change the world.
