“

Digital access within our community is no longer a luxury—it’s a necessity, especially as our communities increasingly depend on broadband connectivity”

Richard Hicks

The Digital Summit begins with a one-day intensive meeting at Inspiredu’s Volunteer & Training Center, providing participants the opportunity to join goal-focused programming and round-table discussions. An evening social will follow to share and brainstorm ideas. Day two will continue the summit with a morning breakfast toast to the community goals and additional breakout sessions and collaborative goal setting. Participants will work individually and in groups—guided by facilitators—to define personal and professional goals framed through the

global goals. The day will conclude with the 2025 Inspire Gala at Curate, an evening of celebration to honor our learners, families, communities, partnerships, and goals committed for 2030.□

“Digital access within our community is no longer a luxury—it’s a necessity, especially as our communities increasingly depend on broadband connectivity,” said Richard Hicks, Executive

Director of Inspiredu. “Through our Digital Summit and Inspire Gala, Inspiredu reaffirms its commitment to building a digitally empowered future—one person, one family, one community at a time.”

Day 1: Inspire Digital Summit

Thursday, September 25, 2025

About Inspiredu

Inspiredu is a Georgia-based nonprofit organization working to bridge the gaps in device ownership, digital opportunities, and digital access by providing underserved learners of all ages with the devices and training they need to develop the digital skills necessary for educational and career success. At Inspiredu’s digital skilling workshops, participants learn fundamental technical skills such as operating the computer and accessing the internet, practicing internet safety, using basic software such as Microsoft Office, understanding how to use technology to increase financial wellness or acquire certifications to bolster work readiness and understanding how to use online resources to support student learning. Inspiredu partners with community-based organizations to serve individuals and families in low-to-moderate income households as they work to bridge the digital divide within the state of Georgia.
