

SilverTech Wins Digital Experience Project of the Month

BEDFORD, NH, UNITED STATES, September 17, 2025 / EINPresswire.com/ -- SilverTech, a nationally recognized digital experience and technology agency, has been awarded the [Digital Experience Project of the Month by Progress Sitefinity](#) for its recent work with [PAR, Inc.](#), a leading provider of psychological assessment resources.

This award highlights SilverTech's innovative use of the Progress Sitefinity platform to design and deliver a seamless, personalized digital experience for PAR's diverse audience of healthcare professionals, researchers, and educators. The new site streamlines product discovery, enhances search functionality, and provides a modern, user-friendly interface that reflects PAR's trusted reputation in the industry.

The Progress Sitefinity "Digital Experience Project of the Month" award is presented to organizations that showcase exceptional creativity, technical expertise, and business impact through their use of the Sitefinity platform. SilverTech's work with PAR stood out for its combination of design excellence, strategic personalization, and technical innovation, delivering measurable improvements in engagement and usability.

"Congratulations to SilverTech for its outstanding implementation of Progress Sitefinity to help customers leverage the power of digital to bring their business to the next level", said Loren Jarrett, Executive Vice President & General Manager, Digital Experience at Progress Sitefinity.

SILVERTECH

This latest recognition underscores SilverTech's ongoing commitment to redefining how businesses connect with their customers through data-driven digital strategies, modern technology solutions, and award-winning creative execution.

SilverTech's Partnership with Progress Sitefinity
