

# HBOT for the Southwest: Why RX-O2 Clinics Are Leading the Way in Advanced Oxygen Therapy

*Celebrating two decades of hyperbaric excellence in Glendale and two years of healing innovation in Scottsdale, advancing patient care.*

SCOTTSDALE & GLENDALE, AZ, UNITED STATES, September 18, 2025

/EINPresswire.com/ -- With nearly two decades of service in Glendale and now celebrating two years in Scottsdale, RX-O2 Hyperbaric Clinics has solidified its reputation as the [premier provider of Hyperbaric Oxygen Therapy \(HBOT\) in the Southwest](#).

Known for its unwavering commitment to safety, innovation, and results, RX-O2 is often described by patients as the “Mayo of HBOT in Arizona.”

RX-O2 Hyperbaric Clinics

Owned by Alexander Borsand, MD, ABLM, FMHC, RX-O2 combines clinical expertise with national recognition in hyperbaric medicine. Dr. Borsand is a certified trainer for the International Board of Undersea Medicine (IBUM) and a faculty member of the International Hyperbaric Association (IHA), educating providers nationwide on safe and effective hyperbaric practices.

“

Our mission is to deliver the safest, most advanced HBOT in Arizona so our patients experience the best possible outcomes.”

*Dr. Marvin Borsand*

Leading the medical team is Dr. Marvin Borsand, DO, FACOS, FACCS, FMHC, Medical Director of RX-O2, who ensures every patient receives the safest and most effective HBOT protocols available. RX-O2 operates using FDA-cleared, hard-shell hyperbaric chambers with [full compliance to ASME/PVHO and NFPA 99 standards](#), setting

the gold standard for hyperbaric treatment in Arizona.

## HBOT: Backed by Science, Trusted by Patients

Numerous published studies highlight the benefits of HBOT in:

- Enhancing recovery from traumatic brain injuries and stroke
- Supporting healing in Crohn's disease and ulcerative colitis
- Reducing inflammation and chronic pain
- Stimulating stem cell release and tissue regeneration
- Promoting longevity and anti-aging through improved cellular health

"Hyperbaric oxygen therapy is more than a treatment, it's the future of regenerative and integrative medicine," said Dr. Borsand. "Our mission is to deliver the safest, most advanced HBOT in Arizona so our patients experience the best possible outcomes."

## RX-O2: A Legacy of Safety and Innovation

- Glendale Clinic: Serving patients for nearly 20 years with a proven record of results.
- Scottsdale Clinic: Proudly celebrating 2 years of care and innovation, offering advanced HBOT and wellness therapies.

National Leadership: RX-O2's medical team trains providers across the country, shaping the future of hyperbaric medicine.
