Selected as one of four finalists in the Top Dealer category, Cavallino Rosso St. Louis stands alongside distinguished Ferrari dealerships from Prague, Japan, and Taiwan, making it the only U.S. dealer named in this esteemed category.

To be named a Top Dealer, Ferrari dealerships must exemplify the highest standards of performance, customer care, and brand representation. This includes delivering

seamless client experiences, sustaining record-setting sales performance, maintaining world-class facilities, and embodying Ferrari's tradition of passion and innovation in every detail.

The winners in each category are expected to be revealed soon, with Ferrari set to announce the final honorees in the coming days.

“This recognition reflects the relentless dedication of our entire team to deliver nothing less than excellence to every client who walks through our doors,” said Nicholas Wilgus, General Manager of Cavallino Rosso St. Louis. “To be recognized as one of the top four Ferrari dealers worldwide, and the only dealer in the U.S. in this category, is an incredible honor that inspires us to continue raising the bar.”

Earlier this year, Cavallino Rosso St. Louis achieved another milestone by earning the prestigious Cavallino Award for the very first time. This recognition is [Ferrari North America's](#) highest honor for dealerships, reserved for those who deliver exceptional client service, outstanding

performance, and a commitment to excellence across every touchpoint of the Ferrari experience.
