A Monumental Celebration of Persian Heritage, Art, and a Call for Global [Unity](#)

The inaugural International Mehragan Festival 2025 will debut in Los Angeles, establishing a landmark cultural movement that bridges the richness of ancient Persian traditions with a modern global vision. Conceived and spearheaded by Simin Tehrani, founder of Royal Time TV, this historic event comes to life through her leadership and the collaboration of an extraordinary team including Dr. Hamed Tavasoli, international entrepreneur, author, and filmmaker, in partnership with 90210 Enterprise with its CEO Ashkan Tabibnia in the lead, supported by Michele Wilson and Chief Dr. Lester Bailey, as well as Dr. Natalie Forest and Lesley Nase.

“

This is a call to rediscover our shared heritage, weaving ancient Persian principles with contemporary creativity to elevate humanity's collective spirit.”

*Dr. Hamed Tavasoli*

From its very conception, the festival has attracted the support of prestigious partners, including Moe Rock and The Los Angeles Tribune, Mindatorium, The Pouneh Foundation, and other high-level organizations and global leaders, who stand alongside the founders in advancing its mission of cultural preservation, artistic celebration, and humanitarian unity.

Rooted in the ancient Persian celebration of Mehragan—a festival of love and abundance—the 2025 event invites global citizens to participate in a transformative experience of art, music,

cinema, dance, exhibitions, and thought leadership.
