

MindCloud Achieves #1 Highest Performer Award by G2

MindCloud is recognized with 9 Total Awards in G2's Fall 2025 Reports for API Management and Workload Automation

CLEARWATER, FL, UNITED STATES, September 19, 2025 / EINPresswire.com/ -- [MindCloud](#), the white-glove integration and automation partner for small, medium-sized and enterprise businesses, today announced it has achieved the #1 Highest Performer Award in [G2's](#) Results Index for Workload Automation | Fall 2025 Report, based on verified customer reviews.

In total, MindCloud earned 9 badges across API Management and Workload Automation, including:

- #1 in Results Index (Workload Automation)
- Easiest to Use (API Management & Workload Automation)
- Best Support (API Management)

“

Earning a spot in a G2 Report is a testament to the positive experiences of real users.”

Sydney Sloan, CMO of G2

- Easiest to Do Business With and Best Relationship
- Leader and High Performer rankings across multiple grids

This recognition from G2 underscores MindCloud's commitment to delivering dependable, easy-to-use integrations backed by exceptional customer support. Unlike legacy integration platforms that burden customers

with complexity and hidden costs, MindCloud blends its low-code Gravity platform with a white-glove service model—helping businesses get mission-critical automations live quickly, smoothly,

and affordably.

"Our customers choose MindCloud because we don't just deliver software — we deliver peace of mind. Being ranked #1 for Business Results and awarded across Ease of Use and Best Support validates what our clients already know: MindCloud is the fastest, most reliable path to integration success," said Jamie Royce, CEO MindCloud

The G2 Fall 2025 Reports are based on real customer feedback, with vendors qualifying through verified reviews and ratings across usability, support, and results.

"Congratulations to MindCloud for their inclusion in multiple G2 Reports this season, powered by their customers' authentic reviews, " said Sydney Sloan, CMO of G2.

Since its founding in 2021, MindCloud has supported more than 280 paying clients and 1,490 users, continuing its rapid growth as more businesses seek a trusted alternative to traditional integration providers.
