

This Week in Construction: Top News, Blogs, Case Studies, Videos & Industry Trends – September 18, 2025

Peer-to-peer digital content sharing for construction and building professionals

SUNDRE, ALBERTA, CANADA, September 18, 2025 / EINPresswire.com/ -- Since its establishment in 2003, Construction Links Network has emerged as a premier news and information hub in the construction sector. With a commitment to enhancing the digital presence and search engine visibility of its members, Construction Links Network has become an indispensable resource for a wide array of professionals. This includes construction managers, contractors, developers, building and property managers, architects, designers, engineers, and government officials.

As a dynamic hub for digital content dissemination, Construction Links Network offers its members diverse engagement opportunities through news releases, company announcements, blogs, podcasts, webinars, case studies, whitepapers, and videos.

Featured content published this week includes a range of topical subjects:

- [ConTech Weekly: Innovation in Construction – No. 125](#)
- CCA Applauds Federal Priority for Nation-Building Projects
- Call for Entries: 2026 Governor General's Medals in Architecture Now Open
- Lethbridge Water Treatment Plant Upgrades Awarded to Graham
