

DUPLEXITY Releases Soul-Stirring New Single 'Mercy'

Acclaimed sibling pop-rock duo DUPLEXITY is excited to announce the release of their 13th single, "Mercy," set to debut on September 19, 2025.

LOS ANGELES, CA, UNITED STATES,
September 18, 2025 /

EINPresswire.com/ -- This evocative track, "Mercy," masterfully explores the tumultuous emotions of betrayal and loss, capturing the raw experience of feeling discarded by someone you once deeply trusted. While immersing listeners in the raw honesty of lyrics, 'Bathed my body hundreds of times — but I feel dirty, out of my mind' conveys the struggle of trying to cleanse oneself from the phantom remnants of a love gone wrong. This heartfelt exploration of rage and resilience resonates deeply, making it Ideal for listeners who appreciate powerful storytelling.

The duo, comprised of siblings Savannah Judy and Luke Judy, shares their desire to connect with audiences through authentic storytelling. "With 'Mercy,' we wanted to channel the feelings of anger and resistance to forgive that come from heartbreak. It's a reflection of our own experiences and the universal journey of realizing that you don't always have to show mercy when someone hurts you!"

“

MERCY came from a reflection of our own experiences and the universal journey of realizing that you don't always have to show mercy when someone hurts you!"
Savannah Judy

Listeners can expect the signature sound of [DUPLEXITY](#) in "Mercy," with dynamic instrumentation and passionate vocals that elevate the song's emotional intensity. As fans have come to expect, the duo's ability to weave powerful

narratives into their music ensures that "Mercy" will resonate with anyone who has faced similar trials of the heart.

In addition to the single release, fans can look forward to a stirring music video that visually represents the song's themes, further enhancing the emotional connection with viewers. The video will be available on all major platforms following the release of the single.

"Mercy" is available for pre-save now on [Spotify](#), ensuring that fans can experience this compelling new track the moment it drops on Spotify, [Apple Music](#) and all streaming platforms.
