Roger Spitz - A Trusted Voice for Leading TV & Media

“

Always the most original keynotes: inspiring, provocative, and very entertaining... Participants walk away with actionable antifragile strategies.”

StartSe

Spitz, a leading voice on strategic foresight, will share actionable insights with leaders across boardrooms, innovation summits, and national media platforms. His appearances in Brazil will address the urgency of learning to navigate exponential technologies, volatile geoeconomics, and a multipolar world.

KEY APPEARANCES ACROSS SÃO PAULO, RIO DE JANEIRO,

AND SANTA CATARINA

Spitz will headline a series of high-profile events and private boardroom briefings throughout Brazil, including:

- MIT Technology Review's EmTech: Spitz will deliver the closing keynote in São Paulo, titled "Polycrisis or Polyprepared? Welcome to Metarruptions."
- AMCHAM Talks: He will present a keynote on "The Future of Artificial Intelligence & Decision-

Making in an Era of Systemic Disruption,” as part of the series “The Intelligence Shift.”

- Manacá Partners: A boardroom strategy keynote titled “The Leadership Shift: Inspire Transformational Futures.”

- Lux Carbon Standard: A talk on sustainable futures, focusing on climate foresight and decarbonization strategies.

MEDIA ENGAGEMENTS:

CONVERSATIONS ON THE FUTURE

During his tour, Spitz will participate in over a dozen interviews with top Brazilian media outlets, such as CNN Brasil, Jovem Pan, InfoMoney, MIT Technology Review Brasil, and UOL. Media conversations will explore key themes, including:

- The one-year anniversary of his award-winning book, *Disrupt With Impact*, and its evolving insights.
- Trends in AI and emerging technologies based on his recent global keynotes.
- Practical strategies for navigating systemic disruptions with a message of informed optimism.
