

# Birch by Goodtone Wins Platinum in A' Office Furniture Design Awards

*Innovative office chair design recognized for its exceptional comfort, flexibility, and aesthetics by the esteemed A' Design Awards.*

COMO, CO, ITALY, September 19, 2025 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected recognition in the field of [office furniture](#) design, has announced Birch by [Goodtone](#) as the recipient of the prestigious Platinum A' Design Award in the Office Furniture Design category. This accolade highlights the exceptional design and innovation of the Birch office chair, which showcases a unique double-back structure that simulates the natural curves of the human body to provide unparalleled comfort and flexibility.

The Birch office chair's innovative design aligns with the evolving needs of modern workspaces, where ergonomics and adaptability are paramount. By addressing the pain points of lumbar support and offering customized comfort through its dual mechanisms of adaptive dynamic adjustment and back locking, Birch sets a new standard for office seating solutions. This recognition underscores the importance of design-driven innovation in meeting the demands of today's office furniture market.

Birch distinguishes itself through its integrated double-back flexible support system, which effectively provides three-in-one support for the back, waist, and sacrum. The chair's metal outer frame and lightweight inner frame work in harmony to create a seating experience that adapts to the user's movements and posture preferences. The streamlined design, featuring a one-piece aluminum alloy chair back support frame and full mesh material, adds a touch of elegance and sophistication to any office environment.

The Platinum A' Design Award for Birch serves as a testament to Goodtone's commitment to pushing the boundaries of office furniture design. This recognition is expected to inspire the brand to continue exploring innovative solutions that prioritize user comfort, ergonomics, and aesthetics. As Birch gains international acclaim, it has the potential to influence future trends and raise the bar for office seating standards across the industry.

Birch was designed by Cyrille Charier, with the support of the ITO Design team, including Product Managers Zuck Zhu and Aaron Peng. The collaborative effort of these talented individuals, along with the expertise of Goodtone, has resulted in a groundbreaking office chair that exemplifies the power of design-driven innovation.

Interested parties may learn more about the award-winning Birch office chair by visiting the dedicated page at the A' Design Awards website:

#### About Goodtone

Founded in 2014, Goodtone is a China-based brand specializing in high-end office chairs. With a focus on design as the driving force behind product and industry innovation, Goodtone combines research and development, design, manufacturing, marketing, and sales to provide customers with cutting-edge seating solutions. The brand's philosophy, "Accompanying you to change the world," reflects its commitment to pushing the boundaries of style and conventional thinking through relentless exploration.

#### About Platinum A' Design Award

The Platinum A' Design Award honors designs that exemplify exceptional creativity and innovation. Recognized as the highest accolade bestowed by the A' Design Awards, this prestigious title acknowledges works that seamlessly blend remarkable innovation with impactful societal contributions. The rigorous selection process involves blind peer review by an expert jury panel, ensuring that only the most outstanding designs in the Office Furniture Design category are recognized. Recipients of the Platinum A' Design Award are celebrated for their role in shaping the aesthetics and trends of our time, contributing to the advancement of art, science, design, and technology.

#### About A' Design Award

The A' Design Award is an international and juried design competition that has been recognizing and promoting superior design since 2008. Open to entries from all countries and industries, the A' Design Award aims to make the world a better place through the transformative power of good design. By showcasing pioneering designs on a global stage and celebrating the creative minds behind them, the A' Design Award drives inspiration and advancement in the design community.
