

T6 Intelligent by Shenzhen Sihoo Intelligent Furniture Co., Ltd. Wins Platinum in A' Office Furniture Design Awards

Shenzhen Sihoo Intelligent Furniture's T6 Intelligent chair recognized with prestigious Platinum A' Design Award for exceptional office furniture design

COMO, CO, ITALY, September 19, 2025 /EINPresswire.com/ -- [Shenzhen Sihoo Intelligent Furniture Co., Ltd.](https://www.shihuofurniture.com/) has been announced as a winner of the highly prestigious A' Design Award, with their T6 Intelligent chair receiving the Platinum distinction in the [Office Furniture](#) Design category. The A' Design Award is a highly respected and well-recognized award in the field of office furniture design, celebrating designs that demonstrate exceptional creativity, innovation, and functionality. This recognition positions the T6 Intelligent chair as a groundbreaking design within the industry.

The Platinum A' Design Award for the T6 Intelligent chair signifies its relevance and value to the office furniture industry and its users. By integrating advanced ergonomic design with intelligent technology, the T6 Intelligent chair aligns with the growing demand for furniture that promotes health, comfort, and productivity in the workplace. This recognition validates the chair's potential to positively impact the well-being and performance of office workers worldwide.

The T6 Intelligent chair stands out for its comprehensive health management system, which incorporates sophisticated sensors to monitor vital body metrics such as weight, heart rate, and body fat rate. The chair also features multiple electronic functions, including professional massage and an immersive acoustic system, facilitating deep relaxation for users. The flexible ergonomic design, with adjustable armrests, backrest, and detachable lumbar support, further

enhances the chair's adaptability to individual needs.

Winning the Platinum A' Design Award serves as a testament to Shenzhen Sihoo Intelligent Furniture Co., Ltd.'s commitment to innovation and excellence in office furniture design. This recognition is expected to inspire the company to continue pushing the boundaries of intelligent ergonomic furniture, setting new industry standards and driving the development of healthier, more comfortable, and more productive office environments.

T6 Intelligent was designed by a talented team including Huiping Luo, Shuai Liu, Qihao Fang, Da Yang, Jianyou Hong, Jianyi Huang, Xulin Cao, Biao Wang, Xianjie Shi, and the Shenzhen Sihoo Intelligent Furniture Co., Ltd. team. Each member contributed their expertise to create this award-winning intelligent ergonomic chair.
