

\$2.9 Million USD Defense Contract for Briefing Center in Europe

Cyviz AS has been awarded a strategically significant contract worth USD 2.9 million (29 MNOK) from a defense customer in the European region.

OSLO, NORWAY, September 19, 2025 /EINPresswire.com/ -- The project is a briefing center designed to meet the highest standards of technological and physical security for the exchange of sensitive information. This facility will provide a trusted environment for

confidential presentations and strategic discussions, combining innovation, control, and discretion in one secure space.

Cyviz Wins USD 2.9 Million Defense Contract

The order includes a Cyviz Command & Control room and secure briefing centers built to the highest NATO-level security standards, ensuring safe and confidential briefings and mission planning.

“

This project demonstrates our capability to provide solutions that safeguard sensitive operations while supporting the highest levels of collaboration and operational readiness.”

Espen Gylvik, CEO | Cyviz

“Delivering secure briefings and protecting vital information are essential in today’s complex defense landscape. This project demonstrates our capability to provide solutions that safeguard sensitive operations while supporting the highest levels of collaboration and operational readiness,” says Espen Gylvik, CEO of Cyviz.

This order builds on Cyviz’ extensive experience delivering

secure, standardized platforms to governmental and defense customers across Europe and North America.

The company has delivered technology and solutions to more than 1,500 control rooms and visualization solutions, supporting operations where security, reliability, and performance are paramount.

Expected delivery is in Q1 2026.

About Cyviz

Cyziv is a global technology provider for comprehensive conference and control rooms as well as command and experience centers. Since 1998, we have created next level collaboration spaces, assuring inclusive meeting experiences for in person and remote attendance.

Cyziv serves global enterprises and governments with the highest requirements for usability, security, and quality. The cross-platform experience Cyviz delivers to manage and control systems and resources across the enterprise makes Cyviz the preferred choice for customers with complex needs.
