MILWAUKEE, WI, UNITED STATES,

EINPresswire.com/ -- [SecureFutures](#)
has named the [Wisconsin Financial](#)
[Literacy Foundation](#) and Charles

Anthony Clark of Raise the Standard
Real Estate as the 2025 recipients of
the Lloyd Levin Difference Maker
Awards. Named in honor of
SecureFutures founder Lloyd Levin, the
awards recognize outstanding
individuals and organizations who
carry forward his vision of empowering
teens through financial education and
mentorship.

The Wisconsin Financial Literacy
Foundation is recognized as the
Organizational Difference Maker for transforming a struggling golf outing into a premier annual
fundraiser. Over the past decade, the event has raised more than \$185,000, funding financial
education for thousands of Wisconsin teens.

"Working with clients, I always knew financial literacy was low, but it wasn't until I was in the
classroom that I realized just how great the need was," said Erik Gauger, Foundation board
member and event founder. "I wanted to help in a way that made the best use of my skills—by
raising money."

"We strongly believe in the power of educating teens on financial literacy and the long-term
positive impact that will have in our community," added Ryan Bushman on behalf of the
Foundation.

Charles Anthony Clark, a real estate broker and volunteer since 2021, received the Individual
Difference Maker Award. Clark has contributed nearly 50 volunteer hours across all
SecureFutures programs, inspiring teens with lessons on investing, saving, and building wealth

early in life. He also acts as an ambassador, sharing SecureFutures' mission with the broader community.

"To be associated with someone who has impacted the state of Wisconsin the way Lloyd Levin has—words cannot express how I feel," Clark said. "I'm thankful that SecureFutures allows me to live my dream through Lloyd Levin's dreams."
