“

The McNulty Veteran Business Center is proud to be a resource partner at the Albany Job Fair to help transitioning military and Veterans succeed on their journey to small business ownership”

Kathy Caruso, Director

“I’m honored to support the Albany Job Fair and its powerful commitment to helping our veterans secure good-paying jobs that allow them to apply their valuable skills and dedication to roles that serve our communities. The men and women who’ve worn our nation’s uniform have served with honor and courage, and we owe it to them to ensure they have access to meaningful career opportunities as they reenter civilian life. By giving veterans early access to this event, the Albany Job Fair is making a clear and powerful statement: your service is appreciated, and your future is important. Connecting

veterans with employers who understand their value is one of the smartest investments we can make in both our workforce and our community,” said Congressman Paul D. Tonko.

"Helping our veterans find meaningful employment is one of the most important ways we can

honor their service,” said Assemblyman Angelo Santabarbara. “These brave men and women have the skills, discipline, and dedication that make them invaluable members of our workforce. Job fairs like this one not only connect veterans to great career opportunities but also remind them that their service is respected and appreciated long after their uniforms are retired.”

What also sets The Albany Job Fair apart is its resume distribution program, designed to benefit all job seekers — whether they attend in person or not. Resumes can be submitted ahead of the event by emailing to resumes@albanyjobfair.com. The resumes are then gathered and distributed to every participating recruiter. Resumes may also be dropped off at registration on the day of the event for scanning and distribution to all recruiters. Job seeker registration is not required to attend.

“I would like to commend the Albany Job Fair for once again dedicating the first hour of the event exclusively for Veterans. It’s a powerful way to show respect for those who have served and to make sure they have access to everything the fair has to offer. It’s also a great time of year to look for a job as employers get ready to enter the last quarter of the year and prepare for the holiday season,” said Albany County Executive Daniel P. McCoy.
