

Textellent Launches AI Rewrite & Translate

Write better, reach more: Textellent's new AI Rewrite & Translate polishes messages, shortens texts, and translates in seconds.

RICHARDSON, TX, UNITED STATES,

September 22, 2025 /

EINPresswire.com/ -- Textellent, a

leader in business texting and SMS marketing, announced the launch of its [AI Rewrite & Translate](#). This new tool polishes customer messages and translates them into English & Spanish. Built directly into Textellent's platform, this feature ensures every message is clear, on-brand, and accessible—no matter the audience.

“

With AI Rewrite & Translate, teams can instantly refine tone, fix clarity, and translate messages while keeping their brand voice intact. It's about helping businesses write better and reach more...”

*Wade Mosier, Head of Sales of
Textellent*

“Business texting should be effortless, professional, and inclusive,” said Wade Mosier, Head of Sales of Textellent.

“With AI Rewrite & Translate, teams can instantly refine tone, fix clarity, and translate messages while keeping their brand voice intact. It's about helping businesses write better and reach more customers, in seconds.”

AI Rewrite & Translate is designed to work seamlessly across Shared Inboxes, Campaigns, and Templates. With just one click, businesses can:

- Rewrite for Clarity – Instantly improve grammar, readability, and flow.

- Set Tone Presets – Choose from Formal, Impactful, or Friendly styles to match brand voice.
- Translate in Seconds – Translate messages into Spanish and English while preserving meaning and key details.
- Preserve Variables – Protect placeholders like {first_name} or {appointment_time} so personalized campaigns stay intact.
- Shorten Messages – Keep it short and sweet to stay under character limits, avoid extra credit charges, and deliver concise, impactful texts.

Unlike third-party tools, AI Rewrite & Translate is built natively into Textellent. It is instantly accessible where teams compose messages. Teams can use this tool seamlessly across the platform to keep communication clear and consistent.

AI Rewrite & Translate is now available inside the Textellent platform. Businesses can [Start a Free Trial](#) or [Schedule a Demo](#) today to see the feature in action.

About Textellent

Textellent is a leading SMS marketing and automation platform trusted by franchises, tax & accounting firms, and small businesses nationwide. With features like shared inboxes, automated campaigns, integrations with leading CRMs, and now AI-powered messaging tools, Textellent helps businesses convert more leads, retain customers, and scale communication effortlessly.
