

Caveman Coffee and Wally's Wine & Spirits Launch the \$100 'Jamaican Blue' Espresso Martini

A Lavish Cocktail Experience Like No Other

LOS ANGELES, CA, UNITED STATES, September 19, 2025 /EINPresswire.com/ -- Luxury meets innovation with the debut of the \$100 "Jamaican Blue" Espresso Martini, an exclusive collaboration between [Caveman Coffee](#) Co. and Wally's Wine & Spirits. This one-of-a-kind cocktail features Caveman Coffee's rare Jamaican Blue Coffee, a special blend that can only be harvested in the Jamaican mountainside, with black raspberry, vodka, and other espresso blends for a flavor profile that is as bold as it is refined. The finishing touch? A 24k gold cherry to top off the martini, elevating it even further.

Available only at Wally's Beverly Hills, Santa Monica, and Las Vegas, the martini has already sparked buzz, with some guests rumored to order three or four in a single sitting. In response to the overwhelming demand, Wally's will also be offering a bottled version of the martini, which will be available exclusively in-store soon, allowing customers to experience the cocktail from their homes.

More Than a Cocktail—An Experience:

This collaboration is about more than flavor—it's reimagining what an espresso martini can be. By pairing Caveman Coffee's highly reviewed beans with Wally's expertise in spirits and hospitality, the Jamaican Blue Espresso Martini delivers:
