STEREOPHONIC MAKES ITS RENO PREMIERE AT THE PIONEER CENTER DECEMBER 2-7

RENO, NV, UNITED STATES, September 21, 2025 /EINPresswire.com/ -- [Stereophonic](#), the 2024 Tony Award-winning Best Play, will make its Reno premiere at the Pioneer Center December 2-7 as part of a U.S. National Tour. Individual tickets for Stereophonic go on sale Friday, September 19. Individual tickets will be available by calling (775) 434-1050 or by visiting [PIONEERCENTER.COM](#).

Stereophonic mines the agony and the ecstasy of creation as it zooms in on a music studio in 1976. Here, an up-and-coming rock band recording a new album finds itself suddenly on the cusp of superstardom. The ensuing pressures could spark their breakup — or their breakthrough. Written by David Adjmi, directed by Daniel Aukin, and featuring original music by Arcade Fire's Will Butler, Stereophonic invites the audience to immerse themselves — with fly-on-the-wall intimacy — in the powder keg process of a band on the brink of blowing up.

The cast will include Jack Barrett as Grover, Claire DeJean as Diana, Steven

rankings in The New York Times, New York Magazine, The Washington Post, Time Out New York, Town & Country, TheaterMania, Theaterly, and The Spectator.
