

China Overseas Yongding Jiuli by Beijing Miland International Design Wins Platinum in A' Landscape Design Awards

Beijing Miland International Design's Exceptional Residential Display Area Recognized with Prestigious A' Design Award in Landscape Planning and Garden Design

COMO, CO, ITALY, September 21, 2025 /EINPresswire.com/ -- The A' Design Award, a highly prestigious and well-recognized award in the field of landscape design, has announced Beijing Miland International Design as a winner in the Landscape Planning and Garden Design category for their exceptional work, "[China Overseas Yongding Jiuli](#)." This residential display area has been awarded the Platinum A' Design Award, acknowledging its outstanding design and significant contribution to the landscape design industry.

China Overseas Yongding Jiuli

The recognition of "China Overseas Yongding Jiuli" by the A' Landscape Planning and Garden Design Award highlights the project's relevance to current trends and needs within the landscape design industry. The design aligns with industry standards and practices while offering practical benefits to users, the industry, and other stakeholders through its innovative approach and focus on utility.

Beijing Miland International Design's award-winning work stands out for its unique theme of "migrating in the shallow mountains and wandering in the picturesque scenery." The design creates a cozy abode that seamlessly integrates with nature, offering an urban resort experience inspired by the Chinese artistic conception of "Travelers Among Mountains and Streams." The three-dimensional migratory experience garden, featuring mountain, stone, and forest

landscapes, provides scenic views throughout the four seasons.

Winning the Platinum A' Design Award serves as motivation for Beijing Miland International Design to continue striving for excellence and innovation in their future projects. This recognition may foster further exploration and inspire the brand to push the boundaries of landscape design while maintaining their commitment to creating harmonious spaces that connect people with nature.

Project Members
