

Newgen Sets the Pace for AI-First Financial Transformation at WFIS 2025

MANILA, PHILIPPINES, September 22, 2025 /EINPresswire.com/ -- [Newgen Software](#), a global leader in AI-first digital transformation platforms, today announced its participation in the [World Financial Innovation Series](#) (WFIS) 2025, hosted by TradePass on September 23–24 at the Manila Marriott Hotel.

The Philippines is fast emerging as a vibrant hub for financial technology, where digital transactions and e-banking are gaining strong momentum. Supported by forward-looking government policies and energetic private-sector investment, the country's fintech ecosystem is poised for sustained, transformative growth.

As a key collaborator at WFIS 2025, Newgen joins TradePass in convening industry leaders for the fourth edition of this marquee event—aimed at advancing digital innovation and expanding financial inclusion across the Philippines.

At WFIS 2025, Newgen will showcase how its AI-first digital transformation solutions are reshaping the future of financial services. Pramod Kumar, Vice President & Head of Business, Asia Pacific, and Varun Goswami, Vice President & Global Head of Product and AI, will lead an exclusive session titled "Driving Speed and Trust with AI in Credit Decisioning and Insurance Automation."

Their discussion will highlight how leading banks and insurers across Asia are adopting AI-driven strategies to elevate customer experiences, meet evolving regulatory requirements, and enable real-time, reliable decision-making transforming credit, underwriting, and insurance operations into agile, personalized, and future-ready systems.

Newgen's AI-first platform powers real-time onboarding, digital lending, and end-to-end automation for leading financial institutions worldwide, including insurers across the Philippines. Its insurance automation helps streamline customer journeys, speed up claim settlements, and minimize underwriting gaps, setting new standards for operational excellence.

With financial inclusion high on the national agenda, Newgen's participation at WFIS 2025 reinforces the event's mission to spark meaningful innovation, enable financial institutions, and extend services to unbanked and underbanked communities. By driving sustainable digital growth, Newgen is helping shape a stronger, more inclusive, and technology-driven financial

future for the Philippines.
