Granting Profitable Trades Daily

“

SmartSpreads is about precision and discipline. We're giving traders clear entries, defined risk, and a cleaner path to decision-making—no guesswork, just structure.”

Noshee Khan

“SmartSpreads is more than a new name — it's a bold step forward in our mission to help traders navigate volatile markets with confidence and precision,” said Noshee Khan, founder of Trade Genie. “We're raising the bar with focused, risk-defined strategies that give our subscribers a real edge.”

Why SmartSpreads?

SmartSpreads is built for traders who already know the basics — and are ready to take their strategy to the next

level. Whether the market moves up or down, SmartSpreads delivers directional debit spreads with clear entry points, defined risk/reward, and a performance-first mindset.

Subscribers get:

- Exact trade setups — including strike prices, expiration dates, and market rationale
- [Risk-managed strategies](#) with known maximum loss and gain before you enter the trade
- High-conviction ideas, filtered for quality and backed by technical and market insight
- Weekly alerts aligned with current market trends for consistent opportunity flow

With SmartSpreads, you get clarity, control, and consistency — everything serious traders need in today's fast-moving markets.

A Smarter Experience for Seasoned Traders

This rebrand reflects more than a name change — it's a shift toward a sharper, more performance-driven experience, tailored for traders who understand the mechanics of vertical debit spreads and hold at least Level 2 options approval with their broker.
