A native of Memphis, TN, Newson began his ministry in music at just seven years old, performing with his siblings as The Newson Singers of Coldwater, MS. Inspired by gospel legends like Willie Neal Johnson & The Keynotes, The Mighty Clouds of Joy, and his grandfather, the late Pastor Julius "Bump" Smith, Marcus has built a ministry dedicated to uplifting the broken, the hurting, and the overlooked through song. The single blends rich gospel roots with soulful, down-south rhythms that speak to both traditional and contemporary audiences alike.

"This song is more than music—it's a testimony," says Newson. "I wanted to create something that would encourage people to hold on, keep the faith, and remember that God's blessings are all around us."

Since its release, "Count Your Blessings" has received strong radio airplay, earned placement in the Mediabase Gospel Internet Edition Top 30, and continues to attract new listeners daily. Fans have embraced its uplifting message, making it one of Newson's most impactful releases to date.
