"As part of a home reno, I wanted to replace my banisters. JC was recommended to me and I had a great experience from beginning to end. My point of contact was Rumon, who went above and beyond to make sure that I was happy with the results. They delivered what they promised, and ahead of schedule. One of the best companies in the home improvement space!"

"Out of all the businesses we've sifted through, we decided to go with JC custom Home Improvement Inc. And it was definitely the right choice in doing my mom's townhome renovations. From the initial consult all the way up to the very final day of renovations, the team did not disappoint.

From meeting the owner JC, to working with his team, Ryan, Ruman, Chloe and everyone in between (plumbers, painters and electricians), the whole process was smooth and exceptional! The team listened to what my mom wanted out of the renovations, stuck to code, gave realistic time frames and updates and made our set budget work - which was very important! Everyone was professional and communicated with us during the entire process. Any hiccups along the way, we were consulted prior to any changes to make sure we were aware before proceeding. The team did such an amazing job in renovating and making my mom's living space, bathroom and kitchen more modern and chic! We couldn't have asked for a better team to work on my mom's home!!!

If you are needing a renovation done, even if it's small, definitely go with JC custom home improvement Inc. They are hands down the team you want for your home renovations!"

"Sorry this review is a long time coming but actually it's more relevant because it's been a year since my renovation. Everyone loves their renovation when they first get it but after a year? YES!! My cabinets and fixtures still look great and all work. I still love my renovation. When I bought my

condo, I had to work hard to see the possibility but Ruman and team worked so hard to help me achieve my vision. They did all the floors, made a pantry and 2 total bathroom renovations. So after a year, I love my place every time I walk through the door. Or walk into my bathroom or take a shower. JC and Ruman were empathetic as I was moving from a house and bought a dated condo because that was all I could afford after my divorce. They helped me look at my new life with possibilities. Thank you!!!"

"I had an excellent experience with Custom Home Improvement Incorporated. JC came with Liv to assess the mold, moisture, and water damage in my bathroom. He was extremely professional, kind, and thorough, explaining everything in detail without any pressure to make a sale. The whole process was well-executed, and I truly appreciated his honest and knowledgeable approach. It's rare to find such trustworthy service in home improvement. I highly recommend JC and this company to anyone needing an assessment or repairs!" The Jean-Christophe Custom Home Improvement team consistently goes above and beyond to ensure outstanding project results for every client.
