“

Adding the cabins is an extension of the welcoming atmosphere we've created at Roam Echo Island so that now every type of traveler can enjoy the beauty of northeastern Utah.”

Cody Fishel, Director of Operations, Roam America

The striking new cabins blend a modern farmhouse aesthetic with contemporary comfort. Sleeping four, each features a queen-size bed, two bunk beds, a kitchenette with a mini fridge, stovetop, microwave, and coffee maker, a bathroom with a shower, and a Smart TV for streaming one's favorite shows. Outside, guests can dine al fresco on the cabin's picnic table and gather around its firepit.

Roam Echo Island is designed with fun in mind for the entire family. Top of the list is “Roam Above,” the park's all ages aerial treetop ropes experience and zipline course that snakes throughout the property offering a bird's-eye

view of the surrounding countryside. Youngsters are challenged to test their agility skills on the “Adventure Course” and the 1500 square foot “Hawk's Nest Trampoline Net,” positioned 30 feet in the air. Two pickleball courts encourage friendly competition, and the two resort-style swimming pools invite guests to cool off. On-site trout fishing is available either from the park's

large well-stocked pond or the Weber River.

Roam Echo Island's new cabins offer an ideal launch site for travelers wishing to visit Echo State Park with its myriad of water recreation opportunities such as kayaking, paddleboarding, wakeboarding, and fishing. With quick access to major scenic routes, Roam Echo Island gives guests the freedom to roam by day and return to the peaceful vibes of Roam's campground by night.

With availability beginning on October 1, 2025, nightly rates start at \$225 and require a two-night minimum stay. Rates increase on peak weekends.

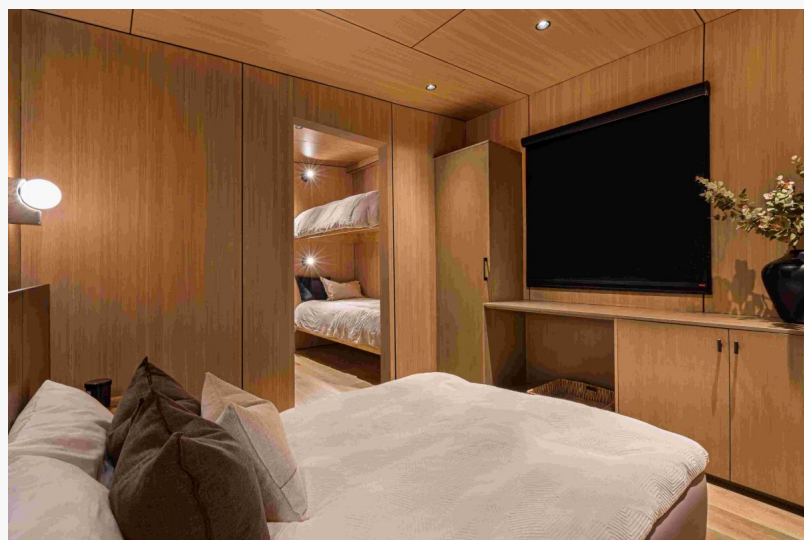

"At Roam Echo Island, we're redefining the campground experience," said Cody Fishel, Director of Operations, Roam America. "Adding the cabins is an extension of our commitment to creating a welcoming atmosphere for every type of traveler, where all of our guests can enjoy the beauty of northeastern Utah and the authentic character of the area."
