When it came time to select this year's recipient, Amherst Funeral and Cremation Services stood out as a reputable company in the funeral industry. Known for its professional and supportive team, Amherst Funeral and Cremation Services has earned a strong reputation within the Lower Mainland, with glowing reviews from many grateful families. Below are just a few of the many positive testimonials from families who were highly impressed by Amherst Funeral and Cremation Services' communication and exceptional service:

"Amherst went above and beyond to help our family with my father's funeral arrangements. They made us feel truly cared for and brought us great comfort in such a difficult time. It's a relief to know such a wonderful group of people serve our community. Thank you especially to Scott, Christian and Jay for taking care of us and for taking such a big burden off our plate. While I hope I won't need their services again anytime soon, they'll definitely be the first ones I call in this difficult situation."

"I give Amherst my highest recommendation. I have used their services twice, and both times, they have been nothing but highly responsive, timely, efficient, and professional. Moreover, their approach is a personal one, with in-home meetings and delivery of final remains. Just from the perspective of logistics alone, they saved me time and effort when I had very little of either one. They made the entire process simple and seamless.

I worked directly with Scott and Christian, both of whom were kind, supportive, and on-task. I can't thank them enough.

The fact that Amherst's prices are so fair/competitive is also worth mentioning - discussing costs/money at such a difficult time is not easy, and their transparency and clarity are so appreciated."

"My common law spouse passed away suddenly and unexpectedly. I knew right away that I wanted to go with Amherst after I had communicated with them prior to help a client of mine whose mother had passed.

The team at Amherst were so professional, kind and understanding. Amherst made my grief and pain more tolerable as I knew they were going to take great care of my late partner.

They worked fast to make sure my partners family were able to say goodbye before having to leave the province.

Eduardo whom I communicated with over the phone provided me with so much reassurance and treated me with kindness.

Merv who was present for the viewing and the delivery of my partners ashes showed me and my partner's family an incredible level of empathy and care.

I wanted to give a big thank you to the team at Amherst for the work they do. I am so grateful."

"When my mother passed away, no prior arrangements had been made. I found Amherst online and reached out. From that moment on, they took care of every detail with care, professionalism, and compassion. The entire process was seamless and surprisingly affordable. In such a difficult time, I couldn't have asked for a more supportive and comforting experience. Thank you, Amherst, for being there for our family when we needed it most."

The Amherst Funeral and Cremation Services team consistently goes above and beyond to ensure caring support for every family.
