

Airport Stands Equipment Market Expected to Reach \$1,547 Million, Globally, by 2023

Global airport stands equipment market was valued at \$3.97 billion in 2020, and is projected to reach \$7.22 billion by 2030, registering a CAGR of 6.4%.

WILMINGTON, DE, UNITED STATES, September 23, 2025 /EINPresswire.com/ -- North America dominates the market, in terms of revenue, followed by Asia-Pacific, Europe, and LAMEA. U.S. dominated the global airport stand equipment market share in North America in 2020, owing to increase in R&D activities, technological developments by key players, and rapid adoption of innovative technologies in making reliable airport stand equipment. Asia-Pacific is expected to grow at a significant rate during the forecast period, owing to rise in air traffic across several Asian nations, for instance, China, India, Japan, and South Korea.
