[Financial Group](#) (DFG) is pleased to

announce the appointment of Zakhar Suleymanov as Chief Financial Officer (CFO). With more than 23 years of expertise in strategic finance and operational leadership, Zakhar brings a proven record of driving profitability, enhancing shareholder value, and strengthening financial governance.

“

Zakhar's deep financial expertise and strategic vision will be invaluable as we continue to expand our capabilities and innovate in the global financial services industry.”

Glenn Grossman, CEO, DFG

In his role as CFO, Zakhar will oversee the Group's global financial operations, including accounting, regulatory compliance, and risk management. He will work closely with senior leadership to shape and execute strategic initiatives that support the firm's growth across the U.S. and international markets.

Zakhar has led numerous transformational projects throughout his career, including the streamlining of settlement systems, the implementation of AI-driven billing

solutions, and the optimization of financial planning processes that delivered meaningful revenue and headcount growth. His strong technical expertise in financial systems and data management further reinforces his commitment to operational excellence.

Zakhar holds a B.B.A. in Accounting from CUNY Bernard M. Baruch College and is licensed as a Financial Operations Principal (Series 27) and Operations Professional (Series 99).

“We are excited to welcome Zakhar Suleymanov to our leadership team,” said Glenn Grossman, CEO of Dinosaur Financial Group. “His deep financial expertise and strategic vision will be invaluable as we continue to expand our capabilities and innovate in the global financial services
