LAGUNA HILLS, CA, UNITED STATES,  
September 23, 2025 /  
EINPresswire.com/ -- Manufacturer  
MGTT invites global brands and distributors to see its range of reliable white noise sound machines, star light projection devices, and night light devices at Booth 7U05, offering established B2B partnerships for the juvenile products market.

MGTT, a subsidiary of Golden Trees Technology and a trusted manufacturer of white noise sound machines for babies and toddlers, is proud to announce its participation in the Hong Kong Global Sources Electronics Show, taking place from October 11th to 14th, 2025, at the AsiaWorld-Expo.

Building on the strong momentum from our recent appearance at the ABC Kids Expo in Las Vegas, MGTT is excited to bring our baby & kids sleep solutions to a global stage. At the Global Sources Electronics Show in Hong Kong.

The event provides a platform for MGTT to connect with international distributors and brands seeking reliable baby white noise sound machines and night light devices. The company will feature units that combine soothing sounds with star light projection to create a practical sleep environment for infants and toddlers.
