

WelcomeWare and Raintree Systems Partner to Transform Front Desk Operations in Physical Therapy Practices

WelcomeWare and Raintree Systems Partner to Enhance Self Check-In Kiosk with Live Agent Support Integrated with Raintree EMR for Physical Therapy Practices

NEW YORK, NY, UNITED STATES,
September 24, 2025 /

EINPresswire.com/ -- [WelcomeWare](#)®, a leader in virtual front desk solutions for healthcare providers, has announced a groundbreaking partnership with [Raintree](#) Systems, a leading provider of EMR practice management software for rehabilitation and physical therapy organizations. This strategic collaboration will redefine front desk operations and drive operational excellence across the physical therapy industry.

Sarina Richard, Raintree's Chief Strategy Officer, stated, "Our clients want tools that make their clinics run smoother and their patients feel supported. By bringing Touchpoints together with WelcomeWare's virtual front desk, we're giving clinics the flexibility to cut front desk strain while ensuring every patient's journey is seamless and connected through Raintree."

With this new integrated solution, physical therapy providers will benefit from:

Maximized Staffing Efficiency: Increase operational efficiency with fewer resources. No need for additional hires, as the integration of WelcomeWare with Raintree's EMR system streamlines

PARTNERSHIP ANNOUNCEMENT

 **raintree**

WelcomeWare®

This partnership is designed to enhance front desk operations in the Physical Therapy space through seamless integration and improved operational efficiency.

Together, we're driving smarter front desk operations and patient intake

WelcomeWare®

WelcomeWare is the premier front desk kiosk solution for physical therapy practices.

front desk tasks and automates workflows.

Streamlined Patient Check-ins: Speed up patient check-ins with an intuitive, frictionless self-check-in system that integrates seamlessly with Raintree's EMR for enhanced data accuracy and patient management.

Scalable Growth: Expand clinic operations without compromising patient care or operational efficiency, even with the addition of new locations or service offerings.

Exclusive Video Streaming with Live Receptionists: WelcomeWare integrated with Raintree

“

This isn't just another integration. The collaboration between WelcomeWare and Raintree will deliver unparalleled value, streamlining workflows and enhancing the patient experience for our customers.”

Max Zietz

Systems is the only self check-in solution in the market that offers the capability to connect a live agent via video streaming, providing a personalized, human touch in the digital check-in process, ensuring no critical steps are missed and enhancing the overall patient experience.

“This isn't just another integration,” said Max Zietz, Head of Sales, WelcomeWare. “Together, we're creating a transformative capacity multiplier for front desk operations in physical therapy practices. The collaboration between WelcomeWare and Raintree will deliver unparalleled value, streamlining workflows and enhancing the patient experience for our customers.”

About Raintree Systems
