

Interstate Plastics Boise Delivers Solutions to Drive Growth in Key Idaho Industries

Interstate Plastics Boise, a premier distributor of plastics, composite materials, tools, and care products, proudly supports businesses across Idaho.

BOISE, ID, UNITED STATES, September 24, 2025 /EINPresswire.com/ --

[Interstate Plastics](#), a premier distributor of plastics, composite materials, tools, and care products, proudly supports businesses across Idaho through its Boise Solution

Center. The company provides reliable material solutions tailored to a wide range of commercial and industrial applications.

Interstate Advanced Materials Boise

Founded in 1980 in Sacramento, Interstate Plastics set out to help local businesses succeed with better material options. To serve the Northwest more effectively, it expanded to Boise, offering customers throughout Idaho direct access to high-performance plastics, composite materials, and machining services. Today, the company continues to broaden its material offerings and expand service capabilities, including CNC machining, fabrication, cut-to-size, custom parts, and routing, reaffirming its commitment to customers.

“

We go beyond supplying materials; we partner with our customers to provide expertise and service that drive long-term success.”
Randy Sterling, Boise Solution Center Manager

[Interstate Plastics Boise](#) is a trusted partner for the region’s

agriculture, food processing, manufacturing, and semiconductor industries. With fast shipping, cut-to-size precision, and [wholesale pricing plans](#), the Boise Solution Center ensures dependable and specialized solutions for every business.

Guided by its mission to be the most trusted advanced materials distributor, the Boise team brings decades of combined industry experience in plastics. They embody the company’s core values of honesty, integrity, curiosity, passion, continuous improvement, and responsiveness,

delivering expert guidance and personalized support that help Idaho businesses improve efficiency and reduce costs.

“Interstate Plastics Boise is dedicated to supporting the growth and innovation of Idaho businesses,” said Randy Sterling, Boise Solution Center Manager. “We go beyond supplying materials; we partner with our customers to provide expertise and service that drive long-term success.”

With over four decades of experience, Interstate Plastics continues to deliver innovative material solutions, empowering Idaho businesses to achieve their goals and thrive in competitive industries.
