ALPHARETTA, GA, UNITED STATES, September 24, 2025 / EINPresswire.com/ -- WealthWave, a Georgia-based financial services company founded in 2012 with a mission to eradicate financial illiteracy, is proud to announce the official grand opening of its new world headquarters and leadership center at World Park in Alpharetta, located at 190 Bluegrass Valley Pkwy. The event will draw hundreds of the company's agents from around the country, and will take place on Friday, Sept. 26 and Saturday, Sept. 27 from 1:00p.m. to 9:00 p.m.

Sitting on approximately 42,000 square feet of space, the building will be home to WealthWave's executive leadership team and features a new jaw-dropping VISION Theater, a cutting-edge presentation and training space featuring a massive I-MAX video wall with two screens that measure 53-feet-wide by 10-feet-tall, broadcasting in 8K resolution with 18.3 million pixels and a 32,000-watt Dolby Atmos surround sound system. The VISION Theater is unlike any business venue in America, designed to inspire, educate and empower leaders at the highest level.

While the new headquarters sets a bold architectural statement, its real power lies in the mission it represents. WealthWave is dedicated to empowering the 4.5 million people worldwide who lack a basic understanding of how money works, offering them tools, education, and a clear path toward lasting financial security.

"Financial illiteracy is one of the greatest threats to people's long-term security, yet it's a challenge we can overcome with the right education," said Tom Mathews, CEO of WealthWave
