of National Sales at MGMA*

Group Management Association (MGMA) has partnered with U.S. Career Institute, a DEAC accredited education institution, to offer a flexible, affordable, and results-driven online Medical Assistant (MA) program. This collaboration is designed to help MGMA Member practices strengthen staff development, talent acquisition, and improve employee retention in today’s competitive healthcare environment.

With this partnership, MGMA members can now enroll their staff in an affordable and flexible Medical Assistant training program that is custom tailored to meet the

specific clinical skills, scheduling, and training needs of their practice.

## Program Highlights

- Flexible Timelines: Staff can complete the program in as little as 8 weeks or up to 12 months—adaptable to each practice’s workflow.
- Enterprise-level reporting: Real time dashboards enable practices to monitor team progress from enrollment through certification.
- Superior Exam Performance: Students boast a 95% pass rate on the Certified Clinical Medical Assistant (CCMA) exam—outpacing the 83% national average (source: NHA).
- All-inclusive tuition: Includes full exam prep and the cost of certification.
- MGMA member savings

“Creating programs designed to support our Member Practices is a strategic priority for MGMA,” said Marc Spritzer, Senior Director of National Sales at MGMA. “This partnership with U.S. Career Institute offers our members a trusted, proven resource to grow and retain their clinical teams with workforce solutions that deliver measurable ROI.”
